“The future of the Jew”

Some six million Jews are pent up in the sixteen western provinces of Russia and the ten provinces of Poland. Rapid increase and low death rate of the ‘chosen people’ impale their Russian rulers on the horns of a dilemma.

Probably the five and three-quarters million or six million under the rule of the czar form the unhappiest community on the face of the earth.

“Zion their Hope”

Here in America the Jews progress and prosper, and will soon be wholly identified with the general population of this country. But six millions of Jews are being prosecuted today in Europe, and Zionism offers the most rational plan for their salvation and their regeneration..

ZION THEIR HOPE.

The Jews Still Wretched as a People—A National Reunion Indispensable.

TO THE EDITOR OF THE SUN—Sir: In an editorial printed in this morning's issue of your paper you state in a rather emphatic manner that Zionism will never solve the Jewish question, and insinuate that, in fact, there is but one solution of that question, to wit, the intermarriage of Jews with the other races.

In support of your statement as to the utter impracticability of Zionism, you say that Jews have emigrated to America, that they have not attempted to settle in Palestine, which is quite true, since the Porte has opposed wholesale emigration of Jews into Palestine, and since the emigrants knew that their rights would be protected under the laws of this country, while in Palestine they would be at the mercy of the tyrannical pashas. But Palestine, as a dependency of the Ottoman Empire, is no argument against Palestine as the national home of the Jews.

The Dinner at Quantico.

The Hon. ARTHUR PUE GORMAN has sent out his corps of billposters, and, doubtless, believes himself to be the favorite candidate of the Maryland anti-Bryan Democrats on the first ballot. He is mistaken, as reports of the Turtle, or, in local speech, Turkle dinner at Quantico last week show. The "Gazetteer" is not very communicative about Quantico, only telling us that Quantico contains a lumber yard and three churches." Our esteemed Maryland contemporary, the *Salisbury Courier*, is more satisfactory, and lets us know that Quantico, situated at the head of Quantico Creek, "has always been a favor-

A PLEA FOR HUMAN JUSTICE

Israel's Great Gift to Mankind Recalled —Dreyfus and European Persecution Mentioned in Convention.

A mass meeting, under the auspices of the Federation of American Zionists was held at Cooper Union last night. The hall was crowded, many representative men being present, as well as those whose appearance told of drudgery in the east side sweat shops. There were many women and girls in the audience; and little sober-faced lads, whose ages could not have been over ten years, followed with attention the remarks of the speakers, applauding at times with enthusiasm.

The platform was draped with the National colors and the blue and white of the Zionists.

Personal tributes were paid by the speakers to Rabbi Gustav Gottheil, who presided.

In his opening remarks Rabbi Gottheil said that they had come together for one of the greatest purposes that had ever summoned the scattered people of Israel. "The life of our Nation has not lost by the trials it has endured," he said, "for we are joined together heart, soul, and mind, by the will of God."

“Jews in Russia” “Deplorable Conditions Under Which They Live”

Russia's harsh treatment of the Jew manifests itself in two ways—first, in her suppression of his natural rights within her own territories, and, second, in the denial to him when he comes to her shores from other countries of that hospitality and right of domicile which she extends to other foreigners who are not Jews. Russia has among her own population between five millions and six millions of Jews, and because of the long centuries of oppression and ostracism which they have suffered a great many of them are perhaps not desirable subjects.

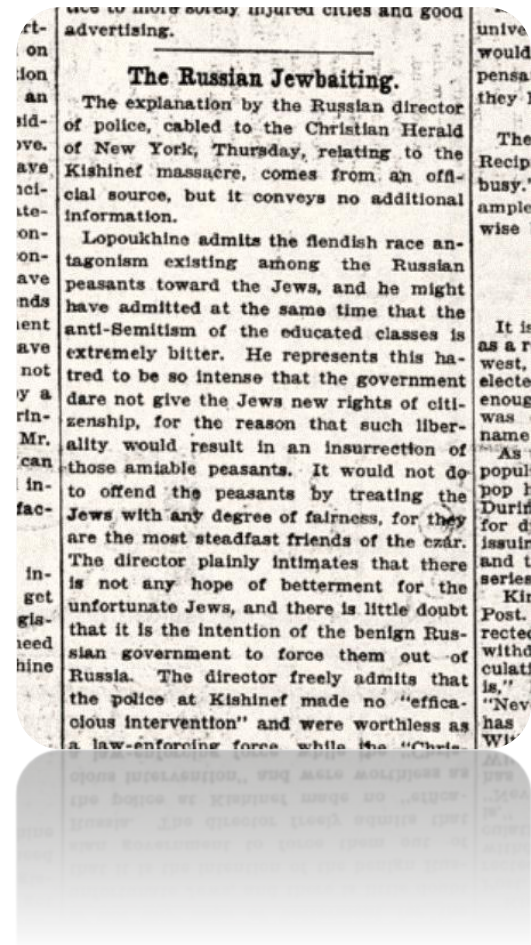

These multitudes are required by the laws of Russia to live within a limited area called the pale, or ghetto, herded sometimes like cattle, under unsanitary conditions, which would send the pestilential spectre of death sweeping throughout the land did not the laws of Moses, to which they cling in their forlorn situation, protect them from such disease.

“The Russian Jewbating”

Meantime, our government cannot act in the imperative mood with respect to Russia's inhuman treatment on the Jews. We can plead the humanities and object also, on the ground of international comity, to the forcing by Russia of her six millions of Jews to take refuge in this country without regard to their quality and condition.

The Russians pour burning coals on heads by admitting that the Russian peasant, when enraged against the Jews, is even worse than our negro lynchers.

“Stafford on the Jews”

In the southern Russia and just across her borders six million Jews have made their homes, one half of all that dwell upon the globe. Where those who have died already offenders above the rest, or is the massacre to go on till all shall perish or be scattered to the winds?

Dr. Paul Nathan's View of Russian Massacre

STARTLING reports of the condition and future of Russia's 6,000,000 Jews were made on March 12 in Berlin to the annual meeting of the Central Jewish Relief League of Germany by Dr. Paul Nathan, a well-known Berlin publicist, who has returned from an extensive trip through Russia as the special emissary of Jewish philanthropists in England, America, and Germany, to arrange for distribution of the relief fund of \$1,500,000 raised after the massacres last Autumn.

Dr. Nathan paints a horrifying picture of the plight and prospects of his coreligionists, and forecasts at any hour renewed massacres exceeding in extent and terror all that have gone before. He left St. Petersburg with the firm conviction that the Russian Government's studied policy for the "solu-

... poverty, starvation and disease are the afflictions which now beset the six million Jews in that country and Roumania. The government does afford some modicum and relief to the starving Russian moujik and laborer; but for the Jew there is no charity, no mercy!

“Rabbi Schwarz delivers very strong sermon”

As far as Jews are concerned, the privilege would be of small consequence, as the number of American Jews desiring to visit Russia is infinitesimal. Further, the Jews as a whole, here or in Russia, have nothing to gain from the removal of the passport disability. On the contrary, it has been pointed out that most likely. Judging by similar happenings on several occasions following passport agitation, the persecution and the sufferings of six million oppressed Jews in barbarous Russia would be redoubled, in retaliation. Although the agitation may have been started originally by a few individuals to remove the implied disability from American Jews, it has long since attained to the rank and importance of a national question by virtue of the undeniable fact that the acquiescence of our government in the policy of Russia is a reflection on our national self-respect and honor.

Since the destruction of the Temple of Jerusalem the Jewish people have had no darker page in their history than that which the Russian Government is writing to-day.

Six million Jews, one-half of the Jewish people throughout the world, are being prosecuted, hounded, humiliated, tortured, starved. Thousands of them have been slaughtered.

Hundreds of thousands of Jews, old men, women and children are being driven mercilessly from town to town – driven by the government, attacked by the troops of their own country, plundered and outraged.

Six Million Souls will Need Help to Resume Normal Life When War Is Ended.

The American people, Jews and non-Jews alike, will soon be asked to lend or contribute the larger part of a fund of approximately \$1,000,000,000 to carry out plans for the reconstruction of the Jewry of the entire world. Announcement to this effect, together with the general plan of procedure, was made public last night, following a meeting held yesterday in the office of Felix M. Warburg of Kuhn, Loeb & Co., chairman of the Joint Distribution Committee of the American Funds for Jewish War Sufferers.

While the appeal will go out to the entire world, people of war-ravaged Europe, it is believed, will not be in position to further the plan financially to any large extent, so that the burden will fall upon the United States, Canada and perhaps England.

The money for the project, the largest purely humanitarian undertaking in history, will not

sought alone through contributions, but will embrace loans, and will be accepted from non-Jewish as well as Jewish sources. The exact date and duration of the campaign for the billion-dollar reconstruction fund was not announced, but preliminary work has already begun.

The plan is the result of the months of study by the Joint Distribution Committee of reports of every country in which Jews have been made to suffer through the war, and includes the sending of commissions of American Jews, experts in philanthropy, to Russia, Rumania, Poland, Palestine, Serbia, Greece, Bulgaria, and other lands as soon as the international situation permits. The work has already been initiated in several countries where recent allied successes have made a beginning possible.

The progressive deputy Bomach created a sensation by producing a secret circular sent out by the minister of the interior which instructed the police to suppress all Jewish publications, even if not printed in Yiddish. “American Jews’ Day of Mourning”

It has been decided by the spiritual and temporal leaders of American Jewry that a day of mourning, fasting and praying be set and observed by all Jewish communities of this country, as a protest against the wholesale massacres of and pogroms on their six million brethren at the hands of the newly liberated poles.

“Winter increases woe of 6,000,000 starving Jews”

To sum up the situation of these starving Jews sound like a summary of all human woe. Six million Jews, out of 16,000,000 in the world, or considerably more than a third of the entire Jewish race, are today standing in breadlines or getting the soup on which they live from the soup kitchens of the Joint Distribution Committee of American Funds for Jewish War Sufferers!

New York Times – September 8th 1919

“UKRANIAN JEWS AIM TO STOP POGROMS”

The Federation of Ukrainian Jews in America, an organization said to represent three-quarters of a million Ukrainians in this country, decided at a convention yesterday that the massacre of their brethren in Eastern Europe must finally be stopped, and, to bring about this peace, the aid of the United States Government will be utilized. Secretary of State Lansing, it was asserted, has already given the consent of the State Department for the federation to send a commission to Ukrainia to investigate to investigate the conditions of the Jews there, and to establish direct connections between them and their relatives in America.

The convention was held at Broadway Central Hotel, at Broadway and Third Street, and was attended by more than 800 persons, representing 300 branches of the organization in this country and Canada. Joseph Seff, the President, was Chairman. Addresses were delivered by Rev. M. Kanewsky, Rabbi Z. Masliansky, Jacob Adler, Herman Bernstein, Dr. Samuel Bucher, Rabbi Meier Berlin, Mordecai Danzia, the Executive Secretary of the society and others.

Tales of massacres in which 127,000 Jews had either been killed or wounded during the past six months were told by the speakers, and all of them, speaking in English, Yiddish, Polish, or Russian, pointed out the disgrace of these pogroms upon the twentieth century civilization.

The latter of relief was taken up, and it was decided that the Federation of Ukrainian Jews request this government to lif the blockade so that food and funds may be sent to their destitute relatives in Eastern Europe. The President reported that there were 3,000,000 Jews in Ukrainia and a like number in Poland, all of whom were in need of assistance of America.

Before Ukrainia should be recognized by America or any of the other allies, it was said that she sould first desist from her persecutions of innocent Jews. Until the commission which is to be appointed shall have reported that the Jews are actually receiving equal rights, friendly relations should not be made, it was urged.

The commission, which will probably consist of the ten leading Ukrainians in America, is to work out a memorandum of the conditions in Eastern Europe, which will be sent to President Wilson, Secretary Lansin, and to all Senators and Congressmen.

....

“ We come out now before the world with the determined slogan, “Those pogroms must stop,” “ said the President in his annual message. “It is only a question of holding these facts continually before the civilized world : we must not permit the world to slumber. This fact that the population of 6,000,000 souls in Ukrainia, and in Poland have received notice through action and by word that they are going to be completely exterminated – this fact stand before the whole world as the paramount issue of the present day.”

Fred Rusland followed him, and his appeal for the suffering members of his race in the countries where they face starvation, was a most eloquent one.

He called upon the Atlanta Jews to arise to the occasion, and to contribute to the emergency fund in order that the lives of six millions of Jewish people may be saved.

Mr. Rusland briefly pictured the conditions in which the Jews are oppressed and said that in view of the dire need of those people the members of the race who live under the blessing of the American flag are faced with a responsibility they have no right to shirk or shift.

Israeli Prime Minister Benjamin Netanyahu told President Vladimir Putin that Iran is out to destroy his country, pressing his appeal for Russian help to keep Tehran from using Syria as a launching pad to attack the Jewish state.

After attending a military parade in Moscow commemorating the victory over Nazi Germany in World War II, the Israeli leader warned that seven decades after the Holocaust, “there is a country in the Middle East, Iran, which calls for the destruction of another 6 million Jews.”
